2nd Tartu Arthroscopic Live Surgery Days Around the ankle with Prof. Niek van Dijk

We are happy to invite you to the second edition of Tartu Arthroscopic Live Surgery Days. The course addresses basic and advanced ankle arthroscopic surgery techniques for established surgeons, younger colleagues and physiotherapists, invites them to see live surgery, physiotherapy sessions, oral presentations and discuss cases with the highly experienced faculty from Europe, Scandinavia and the Baltic states.

The event will be held in the main conference hall of Tartu University Hospital. For colleagues not able to travel, we offer the opportunity to join us via a webinar link.

After the first busy day, we invite you take an evening walk around the historical park on Toome Hill, visit the Tartu University main building, not too far from the Emajõgi river, and drink a cup of coffee before dinner in the center of the old town.
